ABOUT ROOIBAR

We are a rooibos beverage bar located at the Oranjezicht City Farm Market, fueled by Red Espresso® and started in 2015. Our iced or steamed rooibos teas are made using wholesome and thoughtfully sourced ingredients. Serving delicious drinks is the foundation of our business but Rooibar's zest lies in our playful nature.

WHAT WE ARE LOOKING FOR

Someone to join our team who is hard working, yes, but brings something of charisma and positive energy to our team culture. More so than just making fire Ice-Teas, our team is THE SINGLE MOST IMPORTANT part of Rooibar, and something that we cherish oh so dearly.

Anything that threatens to undermine this can totally be left at the door.

Take our word for it, working for Rooibar at the OZCF is fun, and let it be known that if you're only interested in making a buck and nothing else, then this job is probably not for you.
